

# Parts of a Flower

Label the parts of the flower.

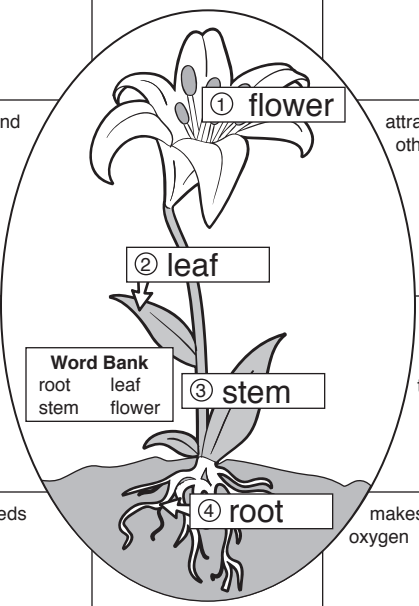

Use the word bank to help you.

Then read the definitions in each box around the flower.

In the circle, write the number of the flower part that matches the definition.

<p>holds the plant in the soil</p> <p><input type="radio"/></p>	<p>takes in sunlight and carbon dioxide</p> <p><input type="radio"/></p>	<p>holds up the leaves and flower</p> <p><input type="radio"/></p>	
<p>carries water and minerals from the roots to the rest of the plant</p> <p><input type="radio"/></p>	<div data-bbox="470 1302 762 1449" style="border: 1px solid black; padding: 5px; width: fit-content; margin: 10px auto;"> <p><b>Word Bank</b></p> <p>root    leaf</p> <p>stem    flower</p> </div>		<p>attracts bees and other insects</p> <p><input type="radio"/></p>
<p>makes food for the plant</p> <p><input type="radio"/></p>			<p>takes in water and minerals from the soil</p> <p><input type="radio"/></p>
